THE CAUSE

Manes and Miracles benefits children with special needs and is looking forward to expanding services to Veterans through therapeutic horseback riding. Our organization provides people with disabilities an opportunity to address challenges in their daily lives.

ABOUT

Manes and Miracles is a 501(c)3 non-profit organization whose mission is to provide equine-assisted therapy to people with disabilities, to create an environment where opportunity replaces limitation, and to help children and adults learn the power of the words "I can." Our motto is "Everyone is equal in the saddle." Manes and Miracles is located in Barling, AR providing hippotherapy to our patients. We serve eight counties in the River Valley.

WHY SPONSOR

Manes and Miracles offers a highly developed regimen of equine-assisted therapy that is tailored to the needs of each participant.

Programming at Manes and Miracles allows participants to overcome obstacles that most of us take for granted: sitting upright, swallowing solid food, and writing one's name. At Manes and Miracles, little miracles happen every day.
